

Birchwood Residents...

Your Lake is Beckoning!

As a resident of Birchwood Village, an annual fee of \$35 allows you the “members only” privilege of using four specific docks along the south shore of beautiful White Bear Lake. Enjoy the various activities available to your family, such as fishing (including hosted boat rides/fishing), swimming, relaxing by the calming waters and simply enjoying the panoramic sunsets.

This reminder by the Birchwood Dock Association is meant as an effort to introduce you to Elm, Dellwood, Birch and Ash beaches and the unique lake access provided to you by each location.

To become a member of the Birchwood Dock Association and join your neighbors in the enjoyment of this wonderful natural resource this summer, simply complete the form below and mail it, along with your check, to the Birchwood Dock Association.

For questions, contact Mary Sue Simmons at 651-429-6259.
