

## Park Committee Meeting 1/22/19

Called to order 7:01pm

Member present: Houstoun Clinch, Dave Remely, Ana Vang, Judy Walker

Approved 11/27/18 meeting minutes

Discussed City updates from December Council meeting:

Council decided to go against our recommendation of no Kayak racks at Kay Beach.

Racks also added at Birch.

Council declined to participate in the Watershed District feasibility study of water flow thru Tighe Schmidt.

City playgrounds are monitored by city staff and repaired as needed. No official inspections.

City has no arborist but has a tree inspector who examines all trees for disease during the summer.

Brief discussion of a proposed horseshoe pit. Tabled to next month when we should have cost estimates.

Reviewed the Park Improvement Plan. Ana will clean up the language for next month and then we should be able to send it to the council. Some discussion about the location of "Outlot A". Could be between 7 and 9 Oakridge Drive or 9 and 11 Whitepine Lane.

Agenda for 2/26/19:
