MEMORANDUM

TO: Birchwood Planning Commission
FROM: Tobin Lay, City Administrator
SUBJECT: Organizational Business

Dear Commissioners,

Officer Elections:

During the December Planning Commission meeting, the Commission decided to elect new officers each January (this meeting).

Request/Recommendation

Staff requests Commissioners:

- 1) Elect officers – at minimum a Chair and a Vice-Chair.

Reschedule Regular 2018 Meetings:

During the December Planning Commission meeting, the Commission selected the fourth Thursday of each month as the 2018 regular Commission meeting dates. Thanksgiving conflicts with the November meeting time. I have enclosed a copy of the City Calendar for November 2018 for your convenience.

Request/Recommendation

Staff requests Commissioners:

- 1) Reschedule the November 2018 meeting date and any other dates that conflict with the regular Commission meetings.

Staggered Terms:

The City Council has asked that the Commission review the sitting Commissioner terms and recommend staggered terms to apply to each for Council's approval in Feb. Currently, I only have term records on John Lund (appointed Feb 2013) and Jozsef Hegedus (appointed Feb 2017). Terms under the old 303 were only one year but new 303 is a 3 year term.

Request/Recommendation

Staff requests Commissioners:

- 1) Discuss and recommend staggered terms and assign terms to each Commissioner for City Council approval.

Thanks!

Regards,
Tobin Lay

MEMORANDUM

DATE: January 25, 2018

TO: Birchwood Planning Commission
FROM: Tobin Lay, City Administrator
SUBJECT: Building Permit Escrow Fees

Birchwood Village

Dear Commissioners,

Several months ago, while discussing the Right-of-Way (ROW) Ordinance for City Council's approval, Commissioners acknowledge the Council's concern about local residents damaging City ROW's and/or streets during construction or improvement projects.

At that time, the Commission decided against putting language in the ROW Ordinance to address the issue and instead decided to determine other areas of the City Code to address this issue.

At the request of Chairperson Doug Danks, I have included this agenda item for you to begin discussing. Doug asks Commissioners to think about:

how to how to incorporate escrow or charges for disturbing city property related to homeowner construction/landscaping projects, along with restricting storage of building materials, landscaping materials, soil and stockpiled excavation material on city property.

Enclosed are 1) the existing City building permit and 2) escrow language from a City of Grant ROW ordinance. The Grant ROW material was tweaked by Mayor Wingfield for the purposes of the ROW Ord. discussion earlier this year and was provided to the Planning Commission last September. Much if the Grant ROW material will not apply as it may already be covered under the ROW Ordinance currently being considered by the City Council.

Request/Recommendation

Staff requests Commissioners:

- 1) Discuss ideas for mitigating damages to public property.

Thanks!

Regards,
Tobin Lay
